PROFILE

Passionate, hardworking and calm under pressure are three of my key attributes which enhances me as a vision mixer/director. Whatever production I'm working on - small or large, I always give myself fully and strives to deliver a creative and engaging TV output.

Planning and executing live productions have always interested me and it is always in the back of my mind - even when attending a music, sports or other events I'm planning where I would place my cameras.

I'm a highly organized, calm and professional vision mixer/director - a real team player. I pride myself of being an incredibly hardworking and enthusiastic self-starter, who enjoys the challenges of producing live multi-camera television.

SKILLS

- Knowledge of various vision mixers
- Setting up and executing complex vision mixing
Including multiple ME, Keyers, Macros and DME
- Planning and coordinating live multi-camera productions
Liason with editorial, technical and content creating departments prior to production

EDUCATION / COURSES

Del Brown Intensive Vision Mixing and Directing Short-Course

Teacher: Del Brown (Funny Hands Media)

Intensive course Short course training in vision mixing and multi camera directing to improve my skills in live directing & vision mixing - including shopping channel scenarios. Gaining skills required to both direct and vision mix live studio outputs. Great balance of theory with plenty of opportunity for hands-on training.

Steadicam Gold Workshop

Teacher: Tiffen/FlySteadicam

5 Days workshop in operating steadicam.

Taught by leading steadicam operators from all over the world. Exercises includes Setup and balancing, basic operating, shot blocking, vehicles and live production

Bachelor in Film and Television Production

Teacher: Danish Broadcast Corporation/Media Collge Denmark

4,5 years bachelor combining 1 year's classes at Media College Denmark and 3,5 years hands-on apprenticeship at the Danish Broadcast Corporation (DR). Classes in camera, light, sound, editing, journalism and storytelling.
